Did you know that Bethel has a Superhero in its midst? Our Superhero's name is Connorman. Connorman's real name is Connor Smith and he's the son of our newest church members Shawn and Krista Smith. Shawn works for his family's electrical supply company in Farmville and Krista works for Hamilton Beach Brands. They live off of Huguenot Springs Road. Shawn and Krista told me that Connor is something of a miracle. I asked them to explain. Connor was born on March 28, 2010 and he came into the world as a beautiful, healthy baby. When he was five months old Connor suffered his first seizure. Krista says, "The scariest thing a parent can witness is your child having a seizure. During the seizures Connor doesn't breathe and his limbs shake uncontrollably." Connor was diagnosed with Epilepsy and a genetic mutation called SCN8A, which is very rare as there are only 250 cases worldwide. From this diagnosis it was determined that Connor will likely always be in a wheelchair, be non-verbal and have uncontrolled seizures.

Despite this diagnosis Krista says, "Don't underestimate Connorman! This little Superhero (the reason he has a C cape on his wheelchair) is the toughest person I know! After years of smaller illnesses that would land Connor into the hospital for a week or two, he caught two nasty viruses at daycare when he was six years old. These viruses collaborated to flood Connor's little lungs and forced him to struggle to breathe, sending his body into a severe sickness. He was put on a ventilator for close to five weeks. We spent many sleepless nights in the hospital and the doctors made no promises that Connor would recover. During this time Shawn and I prayed more than ever. After 50 days in the PICU, two hospitals, two blood transfusions, too many rounds of viral pneumonia and collapsed lungs to count, two intubations,

one failed extubation and one successful extubation, Connorman had successfully defeated his biggest battle and was released from the hospital."

I asked Shawn how Connor's medical challenges have impacted his faith. Shawn says, "I see Connor as a miracle. The simple fact that we wake up every day with Connor is not just a blessing, but it's a miracle. Being in the hospital with Connor for those 50 days taught me that life is a precious gift and that Connor's presence is the best gift I could receive. I've also seen the Lord work in so many ways. As you can imagine there have been some challenging times with Connor's illness and each time I ask, 'How are we going to get through this?' Every time the Lord somehow makes a way. The need is so great, but the Lord always fills the need. Also, I have to confess that early on I was not the best father in the world. My work ethic is one where I feel like I've got to be working hard all the time, but I've learned the most important thing I can do for Connor is to be there for him. So I've had to cut back on work and that's been a blessing to me and my family. I'm a better father now and my relationship with the Lord is better."

If you ask Shawn and Krista about Connor they will tell you that they believe they're raising an angel. Krista says, "Connor is the truest form of perfection here on Earth. He is gentle, laid back, and has the ability to love and smile upon everyone. He passes no judgment, holds no hate, and returns a smile again and again. He even smiles at nurses after they've given him a shot. We're literally raising an angel. He's what's right with humanity." Krista goes on to say that, "Today, Connor is happy and healthy! Connor understands what you are saying and loves to meet new people, so please come over and say 'hi' to him! You can also follow his Facebook page, **Connorman: Our Superhero.**"

Continued from page 1

In closing I want to share with you something that Shawn told me about Connor. He said that Connor does try to speak and that the only words they've been able to make out are the three most important words anyone can have in their vocabulary, "I love you." 1 John 4:8 proclaims that, "God is Love." God's love is certainly evident and at work in Connor's life. We're going to celebrate what God is doing through Connor when we baptize him on Easter Sunday.*

This Easter will surely be a special one at Bethel as we celebrate the resurrection of Christ and the love of God that binds us all together. May God bless the Smith family and our Bethel Church Family. Amen.

Todd

* This will be a baptism by sprinkling and will be done in the People of Hope Center. Because of Connor's medical challenges we cannot baptize him by immersion.

Pastor and Music Minister:
by Gayle Taylor*

Praise Slam: Glorifying God through Christian Music

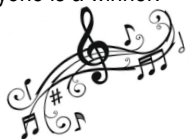

Ephesians 5:18-20: Do not get drunk with wine, for that is debauchery; but be filled with the Spirit, as you sing psalms and hymns and spiritual songs among yourselves, singing and making melody to the Lord in your hearts, giving thanks to God the Father at all times and for everything in the name of our Lord Jesus Christ.

Have you ever heard of a "poetry slam"? That is when poets and would-be poets gather at a venue and share their original poems. The purpose is for the poet is to out-do the others through the content and delivery of the poetry. Usually a panel of judges determines the "winner" of the slam. Sounds interesting, doesn't it?

Imagine this: a gathering of vocalists and instrumentalists whose sole purpose is to share contemporary Christian music with each other. Each person or group is making music that praises our Lord and Savior among other Christians. Everyone present is listening, singing, and absorbing the sweet vibes of music and fellowship. That is what will take place on Friday, April 20, at Bethel Baptist Church from 7:00-9:00 p.m. – a **praise slam**. Musicians from Bethel and area churches will be given the opportunity to meet each other and to experience each other's music.

If you would like to participate, please contact Gayle Taylor at revgayletaylor18@yahoo.com. If you just want to sit back and drink coffee and enjoy a snack while listening to the music, please do!

By the way, the only "slamming" that will occur this night is through the force of love and praise being offered through music to Christ our Lord. Also, since this event is not a contest, there will be no judges--- everyone is a winner!

What's Happening in April

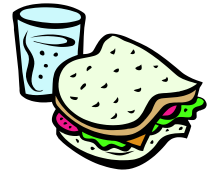

In April, we will learn about **PATIENCE!**

It's time for a road trip! Some of us enjoy the journey as well as the destination, but others will ask, "Are we there yet?" Road trips take time, and waiting to arrive can be frustrating. But it's not just with road trips. Doesn't it

seem like we're faced with waiting for something or someone all the time? That's why we're using the idea of a road trip to help kids understand more about what God says about patience.

Men's Fellowship Lunch Thursday, April 5, at noon

Our next lunch is set for Thursday, April 5, at 12 noon. We will meet at the **Italian Delight** in South Creek Shopping Center in Powhatan. Everyone will be responsible for the cost of their own lunch. Please call the church office if you plan to attend so we can make the appropriate number of reservations. All men are invited.

Ladies Fellowship Lunch Thursday, April 5, at noon

Please join us on Thursday, April 5, at noon at **Red Lobster on Hull Street** for our Ladies Fellowship Lunch. Please text or call Margaret Gillis at 804-305-6931 to let her know if you will attend. All women are invited.

Bethel Care Team

by Shirley Lewis, Team Lead

Hello to April, and Springtime in Virginia.

The old saying goes that April showers bring May flowers...right???

Well I suppose all of us would vote to cancel the showers and only have the beautiful sunshine to enjoy in the days to come. But isn't that what life is like. We must endure the rainy days of life to enjoy the sunshine in our lives, one without the other would make our lives too repetitive. God is with us in both times of life, in our good times, as our pastor likes to remind us, and in the bad times, because he is with us at ALL TIMES.

Our team has been busy this winter, many of our members have had repeated times in the hospitals, surgeries, rehabbing each time for sometimes a month at a time. As I write this, only one is in rehab right now and we expect her to return home soon. Our team is so dedicated to the Bethel members, visiting each week or so and remembering them with cards and food. Just an afternoon visit sometimes fits the bill. Our many thanks to each one who serves.

Please pray for our homebound members and for us as their friends. We bond together in prayer for them and for each other. There has been a beautiful example of friendship developing among many of our members who are going through illness "together" ...

Each member will be visited with an Easter memory for them to enjoy. We share in the joys these little things bring.

Happy Easter everyone.

A Note From the Library

Everyone is getting ready for a different season. For us it is a most special time, Easter. Jesus died for us. I look around our world and just wonder how proud would He be?

Our library is ready for Easter. The books are out on display and we are just waiting for our children to enjoy them. We just finished celebrating Dr. Seuss and St. Patrick's Day. Also, there were a couple of movies we talked about.

May will be the end of the preschool year. It is our hope that these children have enjoyed their library experience as much as the library staff has enjoyed watching them change and grow. I pray they have developed a real joy for reading.

Barbara Bell, Media Library Director

Many Thanks

Dear Bethel Church Family,

Thank you for the flowers, calls, cards and prayers. It means so much to us. Our church family is truly a blessing.

Bob and Ellen Moseley

Dear Bethel Friends,

Thank you so much for the flowers, cards, calls and meals following my hip surgery. It was very much appreciated. We are so happy to be associated with such a great group of Christians. See you soon.

Love, Mary and Rodney Smith

Dear Bethel Baptist Church Family,

I want to express my gratitude to all of you for your caring and kindnesses. Thanks also for your calls, visits, food, cards and for the many prayers. Thanks to the entire church for the beautiful flowers.

Love to all of you and God bless, Florence McLeod

To the Bethel Community:

Shannon and I continue to thank God for inviting us into Bethel Baptist Church and then for Bethel's equipping us and sending us out on mission. You folks continue to support us immeasurably more than all we ask or imagine. Thank you so much for the generous donation to Above Division Mission last month. We have published the below on Face Book, but I believe it is worth repeating in this note of thanks to you all. In a way, it indicates the return there has been for your investment in our Kingdom Work.

I (Michael) will be completing my third unit of Clinical Pastoral Education in April and have accepted a full time Hospice Chaplain position at Rivercross Hospice in Tulsa Oklahoma. The move to Oklahoma is anticipated for late April or early May of this year.

Above Division Mission will continue to operate under the mission of caring for the suffering in crisis. We now move into our third context which is to help people gain spiritual wholeness in the process of separation from physical life.

We have already conducted our mission in the jail (separation by incarceration) and in the hospital (separation by physical malfunction) and in the latter have gained valuable experience in ministering to the dying and their families.

We believe the stable full time position at Rivercross will provide us with the financial stability through a liminal period of discernment and beyond, regarding the exact nature of how Above Division will function alongside of a stable and related ministry at Rivercross.

We thank all for their prayer and financial support over the years and hope you all will continue to be with and support us as our calling continues to morph and unfold.

Love and Blessings,

Michael and Shannon

Preschool Director

Hello Spring!!! April is always an exciting time for the preschool. We have started our month off with the celebration of Easter and taken a week off for Spring Break. When we get back on April 9th, the children will begin to learn about Spring and what it brings with it, such as the life cycles of animals, insects and plants. Students will also learn ways to take care of their environment and celebrate Earth Day. Our Pre-K class will be getting ready for Kindergarten registration which will be held at all Elementary Schools on Thursday, April 19th. April is a very busy month for everyone here at the preschool!

The preschool will be doing a lifecycle experiment with the children. The children will get to plant a small vegetable garden that is self-contained in a clear box. That way the children will be able to watch the growth process of carrots and green beans! Maybe we can even encourage better eating habits when they see how their vegetables grow!

Our monthly Chick-fil-A Spirit night will be held on Wednesday April 18th from 5:00 p.m. – 7:00 p.m. We would love to see everyone there so please come and join us! We appreciate all of the support you have given to the preschool.

Just a reminder that the preschool is currently accepting registrations for our 2018/2019 school year and still have several spots available. If you know anyone who is looking for a preschool, please send them our way. We would love to have them!

Thank you again to all who help support the Preschool and myself. You are the reason we are the program we are today!
