It's February. It's cold and I'm already yearning for warm summer breezes. But if anything can warm our souls in February it's a love story and love stories are appropriate since Valentine's Day is right around the corner. I heard a couple of great love stories recently. In December I had the privilege of attending a breakfast at Ben and Becky Turner's beautiful home. They hosted the Chick-fil-A Monday Morning Devotional Group for a Christmas breakfast. The food was delicious. As a side note, I got to try Ben Turner's famous Oyster Stew, and it was fantastic! As good as the food was, the fellowship and conversation were even better. After breakfast we gathered in the Turner's living room for a devotional and prayer time. Somehow the conversation turned to how we met our spouses. The stories were heart warming and nostalgic. One of my favorite stories came from Dennis and Nancy Glazener. Dennis has a flare for story telling and he instantly had us hooked when he started his story with, "Nancy and I slept in the same bassinet." Here's the rest of the story in Dennis' words:

"I've known Nancy Parks (Glazener) ever since I can remember. Her family and my family went to the same church (Black Branch Baptist). Her grandfather donated the land that the church was built on. Both of my grandfathers and grandmothers were early members of that church as were both our parents.

I was born in June 1943, because of that my father had been given a deferment from being drafted into the Army. Shortly after my birth my father was called back for the draft and was inducted into the Army. Upon completion of his basic training my father was stationed at Fort McPherson, College Park, GA. My father had an aunt living in College Park, GA and she was willing to allow my mother and father to live there while daddy was stationed there, my mother planned to travel by train from

Continued next column

our home in Chase City, VA to Atlanta, GA to meet my father.

In those days there were no car seats for infants to travel in. A portable crib called a bassinet, allowed mothers to travel with their babies. With me being the first child of our family, my mother did not own a bassinet but Nancy's mother, Mildred, did. By then Mildred's first child was old enough not to need a bassinet so my mother borrowed Mildred Park's bassinet and used that for me to travel by train to Atlanta, GA. My mother said that I slept in it the whole time we lived in College Park (less than a year) and also on the return train trip back home. Shortly after this, Mrs. Parks had a little girl named Nancy and she needed the bassinet for Nancy to sleep in. Little did either mother know that the two babies that slept in that bassinet would marry each other 21 years 4 months and 29 days later and enjoy over 52 years of marriage together."

Hearing the Glazener's story, and other's like it, gives me a thought: We need to tell these stories in Church. Why? We all love a good love story, but beyond that, if we listen carefully and prayerfully to these stories, we can sense God's guiding hand of blessing. As I listened to Dennis and Nancy's story it was amazing to me how all of the details of their story were woven together. These circumstances of their birth, where they lived, and how their lives unfolded ultimately led them to the altar to stand before the Lord and a congregation of people to pledge their love and their lives to one another.

Would you like to hear some more of these stories? If so, you're invited to attend a special Valentine's Dinner on Wednesday Feb 13th at 6:00 p.m. We'll enjoy dinner together and share a time of story telling. If you can attend the dinner please call the church office and RSVP so we'll know how much food to order. The cost of the dinner is \$7.50 per person and children are free. May God bless Nancy and Dennis Glazener and may God bless Bethel Baptist Church.

Pastor and Music Minister:

"A Valentine Parable" by Gayle Taylor

In the woods, a little tree flowered beautiful heart-shaped leaves. Each leaf emitted a soft, sweet scent. Once a leaf fell to the ground, however, it had no scent at all. In fact, it quickly crumpled into dust upon touching the earth.

One day, a young man and woman strolled through the woods. The man, impressed with the sweet scent and beauty of the leaves, quickly picked several of them, creating a unique bouquet to give to his lady friend. But alas, the leaves, no longer being connected to each other through the main vine, immediately drooped, losing both their vibrant heart shape and their delicate scent.

The young man, with disappointment on his face, said, "I'm so sorry!" The young woman, gently placing the bouquet on the ground, smiled and said, "Do not worry! This is indeed a special plant. Clearly it is through the connection of its leaves to one another that the plant thrives and beautifies the world."

In John 15, Christ speaks about the importance of staying connected to Him and refers to Himself as the "vine." He is the source of our spiritual sustenance. His love pours into us, giving us the life-giving power to follow in His steps and flourish. But Christ also speaks about our need to be connected to each other. This is so important that He names this as His commandment: "love one another as I have loved you." By supporting and investing in one another's lives, we learn to love each other in the way that Christ desires. This connection enables us to thrive and to produce the fruit that pleases Christ.

John 15: 5, 9, and 12: ⁵ "I am the vine, you are the branches. Those who abide in me and I in them bear much fruit, because apart from me you can do nothing. ⁹ As the Father has loved me, so I have loved you; abide in my love. ¹² This is my commandment, that you love one another as I have loved you."

By Carter Cosgrove
Preschool Director

February is here, and Bethel Preschool is back into the swing of things. February is an exciting month for the preschool. February brings with it cold temperatures, crazy weather, Valentine's Day and open enrollment for the new school year. The Preschool begins enrollment for the 2019/2020 school year on February 1st to our church and preschool families first. Enrollment will then open to the public on March 1st. We are offering a \$10.00 discount off the registration fee for all those who register their child before March 1st. If you know of any families who are looking for a preschool, please let them know about Bethel.

Our children are getting things ready for our Valentine's Day Celebration which will be held on Thursday the 14th for all classes. They are busy learning the true history of Valentine's Day and what it represents now. Children get so excited about creating their Valentine's and delivering them to their friends!

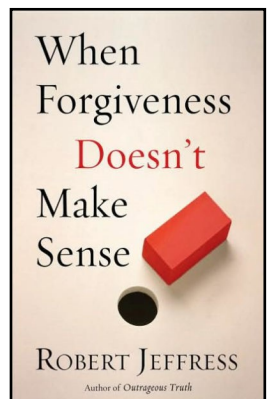

Another thank you is warranted to all the church members and preschool families who have come out and supported our Chick-fil-A nights. This is such an important fundraiser for the school because all the money raised goes to the preschool scholarship fund. We currently have five families who are beneficiaries of this fund. Even though our spot is reserved we must continue to meet the food sales of \$300.00 to continue this fundraiser. Please come and join us Wednesday, February 20th from 5:00 p.m. to 8:00 p.m. and have dinner with us at the Chick-fil-A at Westchester Commons and support the preschool!

I would also like to remind everyone that the Preschool will be closed on Monday, February 18th in observance of Presidents' Day.

Thank you again to all who help support the Preschool and myself. You are the reason we are the program we are today!

New Small Group

A new small group will begin February 5, at 11:00 a.m. at the church. Pat Bartlam will facilitate a study on forgiveness by Robert Jeffress, called "When Forgiveness Doesn't Make Sense." This study goes into why we have difficulty accepting God's unconditional forgiveness? And why we sometimes find it so impossible to grant that same forgiveness to others? Please join us as we talk about the very important topic of forgiveness. Everyone is welcome.

Memorial Association Meeting Sunday, February 10, 2018

Bethel Care Team

Here we are in February already, the month that we celebrate more often than other months, LOVE.

We who serve on this committee often see that word in action, we see the love and devotion that couples give to each other as they take care of each other. Often one has lost their eyesight to be able to read and so the other one reads them the paper, or books, or the newsletter from church, it means they both can still enjoy reading.

Often we see husbands catering to their wives' every need as long as they have the energy to do so. They do things around the house, keep up the yard and ask for help when they need it. Things like cooking can be a challenge for older folks and that's where often times we can help, just by taking dinner once in awhile or a fruit basket or a box of donuts as a treat. We can be that word in so many ways. And the greatest of these is love as the verse goes. Think of the many ways you can reach out to show love this month to others. You can write a note to someone that has meant the world to you and now is the time to tell them or offer to bring dinner to someone. Offer to come over and visit for an hour or so and simple chat or play cards, offer a ride to the grocery store or offer to take someone out to lunch or dinner. Now is the time to show love to one another.

God Bless you as you do unto others.

Shirley Lewis/Team Lead

Dear Bethel Family,

Thank you so much for your thoughtful Christmas gift card and lovely ornament. I hope you enjoyed this special season as much I did through the music and messages. To the anonymous friend who remembered me at Christmas, thank you so much for your gracious gift. I am truly blessed to be part of the Bethel family and I look forward to the great things God has in store during this new year.

Cathy Marshall, Accompanist

Dear Todd, Gayle, and Church Members,

Thanks to Bethel Members for the many Get Well, Christmas cards, gifts, visits and prayers. I hope I can resume some of my normal activities but for now I will remain at Lakewood. I have missed attending Church and hope I can visit soon.
"May the Good Lord Bless you and keep you"

Zeke Bookman

Dear Bethel Church Family,

I would like to thank the church for the ornament and the generous gift card that was given to me for Christmas. Many thanks also to everyone for all the beautiful Christmas cards, gifts and additional gift cards I received. Thank you so much for thinking of me. I pray blessings on each of you and a very happy new year to everyone.

Linda Gardner

Dear Bethel Church Family,

So many times in life I have been given the opportunity to help others but that is not a task I take on alone. For my church family that pitched in to help me produce a few extra smiles for a very happy mimi, bamma, and me maw and their grandchildren, I thank you from the bottom of my heart. No matter our given situations we can always fulfill God's work and that's to love each other and serve each other and that is a blessing within itself. My added blessing was to see and hear how touched "our" grandmother's were. Thank you all for being a blessing in our lives.

Blessings and Love, Carrie Persichini

Dear Bethel Church,

I'd like to thank Bethel Baptist Church for the generous gifts & cards received at Christmas. They were most appreciated. It is an honor to work here.

Love, Kathy Tuttle

Dear Bethel Church Family,

Pat and I would like thank everyone for the wonderful fruit basket that was given to us after my surgery. We would also like to thank you for the calls, food, visits and prayers during this time. They were very much appreciated. We are blessed to part of such a loving and caring church family.

Love, Mac and Pat Herndon

A Note From the Library

I am sure by now that everyone's Christmas decorations have been safely packed away, since we are moving into the month of February. I have always called February the month of love.

Valentine's Day gives us a wonderful chance to say to the special people in our lives "I Love You". It may be family, friends or someone just very special. Take time during this month of love to make the "someone's" in your life happy, be it with a treat, or a hug, or just spending a little extra time with them.

Our preschool children enjoy Valentine's Day in a big way so the library will have our Valentine's books out along with our winter books. The children will have plenty to choose from.

God loves the word LOVE so see how much love you can spread this month.

Love, Barbara Bell
