I hear the most wonderful stories at our Sacred Circle Prayer and Listening Group on Wednesday nights. John and Judy Pulley told the group about the first time John felt the presence of the Holy Spirit. Their story takes place in 1985 when John and Judy were dating and Judy perceived that there was a problem. According to Judy, John's mother didn't like her; at least that's how Judy tells it. The reason Judy believed that John's mom didn't care for her was because this was a second marriage for Judy and she had four children and John's mom wasn't too happy about John having an instant family.

One day Judy and John were out Christmas shopping and they stopped by Judy's mom's house and her mom met Judy at the front door and let her know there had been a tragedy. Earlier that day, John's older brother Albert was out in a field working on a tractor and the tractor turned over on him and he was killed in the accident. John was still getting packages out of the car so Judy called John into the house and broke the horrific news to him. There were two things that concerned them. Judy was worried about how John's mom would receive her. They were going to see John's mom and Judy said, "She probably doesn't want to see me right now." But John said, "Judy, I need you, please go." The other concern was how would John make it through the funeral. He said he didn't know if he could do it.

They didn't know it, but they really needed the Holy Spirit to comfort them and lead them and the Holy Spirit did that very thing. On the way over to visit John's mom, Judy said she began to imagine what it would feel like to lose a child. She had great sympathy for John's mom and when she arrived

she hugged John's mom and just loved on her. John's mom got to see Judy's character and over time they became close. So close in fact that years later when John's mom needed care before she passed away, Judy was her caregiver. What about John? How did he make it through the funeral? Before the funeral started they sat in the car and John said, "I don't think I can do this. I'm going to lose it in there." Judy said, "John, let's pray that the Holy Spirit will comfort you." John said, "I've never felt the Holy Spirit in my life." Judy said, "I pray you will today." So they got out of the car and walked to the funeral home. There were steps to negotiate. As John walked up the stairs it hit him. Right there on the steps of the funeral home, the Holy Spirit poured out His peace on John. John said it was unreal. It was a peace he'd never felt before. John knew it was the Holy Spirit and he knew that his brother was ok. Throughout this tragic event in their lives the Holy Spirit was very much present and doing exactly what Jesus said the Holy Spirit would do.

In John 14:26, Jesus promises us that the Holy Spirit will comfort us and the Spirit did just that for both John and Judy. In their hour of need they needed God's comfort, guidance and assurance and God didn't disappoint them. One thing I'd like us to notice is that John and Judy sought God and they prayed to the Lord for His comfort and peace. One of my favorite scriptures is Matthew 6:33, "Seek first the Kingdom of heaven." John and Judy sought the Lord and God showed them the Kingdom of peace and comfort and He blessed them with the gift of his presence. As we pause this November to give thanks, perhaps the first thing we should be thankful for is the gift of Holy Spirit in our lives. Lord, help us each to seek you first in all we do and say and help us to be sensitive to the leading of the Holy Spirit in our lives. May God bless John and Judy Pulley and may God bless Bethel Church.

*A Note From Your Associate Pastor and Music Minister:
by Gayle Taylor*

“Showing Thanks”

Just around the corner, we will be hearing Christmas songs on the radio and in the mall. Hallmark Christmas movies will begin the countdown to Christmas... not that there is anything wrong with the movies or the music, but there is usually very little time carved out (except for the turkey!) for celebrating Thanksgiving.

To that end, I would like to propose that we combat the early encroachment of Christmas songs and traditions (these can wait until December 1 or the day after Thanksgiving), by instituting some thanksgiving practices. I have provided a calendar below with suggestions.

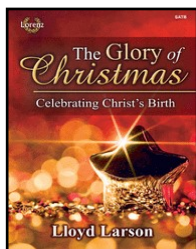

Happy Thanksgiving!

What's Happening in November

"Thank you." It's one of the first things we learn to say, but it's also one of the most difficult things to say and really mean! That's true of us today, but it was true for God's people in the Old Testament, too. After they escaped from the land of Egypt, the Israelites spent 40 years wandering through the wilderness on their way to the promised land. While they wandered, they struggled to remember all the ways God had provided for them. This month, we will discover that we can thank God for so much - for providing for us, for being God, for providing wisdom, and for never giving up on us.

By Carter Cosgrove
Preschool Director

Bethel Baptist Preschool has been having an amazing year so far. We have been in school for two months now and the children have become accustomed to their teachers, classroom routines, and classmates. Time has been flying by!

The preschool had a big day on Tuesday October 8th. We had our pumpkin patch trip to Lloyd Family Farms. I would like to thank all our preschool families who attended. I know we all had so much fun learning about the life cycle of the pumpkin, picking pumpkins, visiting all the animals on the farm and seeing the many colors on the farm. Did you know pumpkins are not just orange, they can be pink, blue, grey and white too! It was a time had by all.

On Tuesday, October 15th, children and staff got to have their pictures taken by Jennifer Gavin of Jennifer Gavin Photography. The weather held out for us to be able to do our pictures outside on the breezeway! They turned out amazing!!!!

During the month of November our children will be learning how to "do unto others as you would have them do unto you". The preschool will be participating in both the Operation Christmas Child and the Powhatan Christmas Mother. Giving to others is sometimes an abstract idea for this age group. This is a tangible way for them to understand how important it is to give rather than receive.

The preschool would like to remind everyone of the Chick-fil-A night on Wednesday November 20th. Our October Chick-fil-A night was canceled due to renovations so I can't wait to see all the changes that have taken place. Thank you to all who have come and supported this event. I would like to encourage you to come and support the church and the preschool once again by having dinner with us this month and be sure to tell the cashier it is for Spirit Night. Once you have enjoyed your meal, be sure to see me and take a chance at the prize wheel to win free food. I hope to see you there!

I would like to also remind all that the preschool will be closed both November 5th for elections and for November 25th through November 29th for Thanksgiving Break. My staff and I would like to wish everyone a wonderful and safe Thanksgiving Holiday!

Grace Fellowship Meal November 21, 5:30 p.m.

Bethel Baptist Church will prepare a meal and serve the homeless at Grace Fellowship on November 21st at 5:30pm. If you can volunteer with our youth in this event please let Cindy Luck or Lauren Moore know. Thank you!

Blessing Box

The October Blessing Box items collected and delivered so far have consisted of 3 big trash bags and a full box of blankets, socks, shirts and more. It is so heartwarming to see the box full. Thank you for helping our area homeless.

November suggested items for the "Blessing Box" are overalls, boots, socks, and food items such as breakfast bars, pouches of tuna, and something that can be opened without a can opener. I know that overalls can be purchased from Amazon and some purchased them at Ollies (size large and extra large have been requested and also can be used items). Another request from Blessing RVA site is: Thermal underclothing (pants and shirts sizes medium to 4X). This is a big need for the cold weather. The most needed size is Large—2X for men and women.

A Sunday school class or group can chip in and purchase an item together. The collection box is in the back of the People of Hope and there is another in the nurse's office. Thank you all so much for contributing to this project

Bethel is so wonderful about reaching out beyond our church building to share God's love. Praying that you all have a blessed November. There are so many things to be thankful for in our lives.

Blessings,
Cindy

Bethel Care Team

As I write today, it's September and I struggle to know what will be happening in all our lives in November, so I am going to write about something personal. Years ago, when my youngest grandchildren were very young, I would keep them in the summers, and when school was out during the year, and whenever our daughter needed us to help out. We would be in the car lots of times and the children would discuss things that were bothering them or making them sad or making them glad and asking questions or confiding in me as we would ride along. These became "Car Talks" and the rule was that whatever they discussed within the car, stayed inside the car, nobody would worry about 'telling' anything. It was all about sharing their concerns and questions with their grandmother and she listening and doing her best to comfort them or advise them if she could. These little "Car Talks" took on a life of their own, and as these children grew they continued to ask for them now and then, knowing the security and love within that car, or as time went on, sitting on a patio or sitting on a pier or wherever we were when the need arose. They remember with good memories their "talks" to this day.

I think about these as I drive and talk with the Lord in prayer many times. It's there, that I can "talk" with him and so I have written a little poem to say just how I feel.

Do you believe in "CAR TALKS" As you drive along life's way?
They're such a peaceful time as you fill spots in your day.
It's a one way conversation, between the Lord and you,
But as you do the talking, remember he's listening too....
The things in life we carry, Be they blessings or concerns.
A "car talk" opens up your heart and frees you from concerns.
Now I just count on "car talks" to feel the love of God,
To feel the peace he sends my way, even as I pray.
Thank you Lord for "car talks" each one gets better yet,
And in your time I know that I will find answers to each request.

At this time of year we thank God for our lives, the church we serve, the families we have and the friends we share.
We wish a very happy Thanksgiving to everyone and especially to all those that continue to help out and support the Care Team.

Shirley Lewis
Team lead

Library News

We are entering the season of being blessed and very thankful. So many things seem upside down, but we need to believe God's got this. I often think of it as a time for reflection. What path I have taken and what I can do to make things better. Turning to the Bethel Library we will be open on November 10th. If your child visited the library in October, please remember to return their library book. It is so wonderful seeing our JIGSAW kids come to the library. Our preschool children are having a great time with Miss Cindy as she reads to them and then they get to choose a book. Let's prepare our hearts for Thanksgiving and the upcoming Christmas season. All of us need to consider the ways we have been blessed. There is only person we can thank for his beautiful world, our Father.

All of us from the library, wish you and yours a wonderful Thanksgiving holiday.

Barbara Bell, Media Director
