Several months ago Bethel member Kasey Myers introduced me to an organization called WomenRise. It is a great organization that is doing "Gospel Work" to help single moms. Sammie McCabe is in charge of fundraising for WomenRise, which is a program of United

Way of Greater Richmond & Petersburg. I asked Sammie to share with us what the program is all about. "WomenRise is a childcare scholarship program for single moms in school or career training. We cover the full cost of childcare, paying providers directly, so that the mom can focus on her studies and know that her child is in a safe and supportive environment. In addition to the scholarship, we offer workshops on financial literacy, career skills and parenting – areas that our participants have all shared are of interest to them. Our goal is also to create a sense of community so that the single moms in our program can connect with each other, connect with resources, and connect with a network of women who are cheering them on."

Kasey Myers

Sammie shared one of the program's success stories with me; her name is Jasmine. "Jasmine is a first generation college student who is working toward her nursing degree because she has a passion to serve the vulnerable and one day become a Nurse Practitioner. Before WomenRise, she was having trouble balancing her 7-year-old's care while also working and taking classes. She shared with us last fall that

Sammie McCabe and Jasmine

WomenRise 'has allowed me to focus solely on my education. I can do what I have to do and not work extra hours to afford childcare because that is taken care of.' Jasmine is a wonderful addition to our WomenRise class, and we can't wait to see where she goes.

It's women like Jasmine that remind me why I am called to do this work. There are so many single moms doing everything they can for their children and if we can just take even one burden off their plate, that can make a huge difference. Every donation, every volunteer hour, every connection is a step toward a better life for moms like Jasmine who are finding ways to rise even in the midst of so many hurdles. That's what WomenRise is all about."

WomenRise also holds a special place in Kasey's heart as well. Kasey said, "I was first introduced to WomenRise from my co-worker who had asked if I wanted to attend an event, but never did I expect to be moved like I did. The testimony of the chosen applicants left me speechless and while the program is making a difference in the mother's life, it is also making a difference in the child's life as well. My mom is a single mother and I saw first-hand the toll it can take on an individual. She was paying \$170 a week for my little brother and this was one of the cheaper daycares in town. Eventually, my mom started working part-time at the facility to cut down cost of the weekly expense. Childcare is not something a single parent should lose sleep over, but it is so common in today's world. Not everyone has the opportunity to stay home, have family members to keep the child, or even family friends that give you a great rate! WomenRise is only in its second year and they've made an impact on 6 individuals last year and with a goal of 20 this year! I am glad to have met Sammie and been exposed to an amazing program that she puts her heart and soul into each and every day! I am also glad to share this program with Bethel. **WomenRise is on the rise** and I am excited to see what God has in store for Sammie and her Team!"

One of our Bethel Mileposts is, "We're blessed to be a blessing." We're going to be a blessing to WomenRise on Sunday, April 24<sup>th</sup>. Join us that Sunday and you'll hear Sammie share for a few minutes about the program. Then stay after church and enjoy a BBQ lunch with us. All of the proceeds of the lunch will go directly to WomenRise. David Grubbs will be doing the cooking on that

**"The 'Idle Tale' of Easter According to Luke"**  
**by Gayle Taylor**

The blooms of daffodils and crocuses beckon to us on these warm spring days. Hyacinths perfume the air amid freshly mulched gardens. In the stores chocolate bunnies and colorful baskets await on the shelves. Easter time will soon arrive, but have we framed it as a pretty and insignificant story, an "idle tale," if you will?

In the Gospel of Luke, the writer tells us about Jesus' arrest and hearings before both Pilate and Herod. After three requests to release Barabbas and to hold Jesus accountable for crimes that he did not commit, Pilate reluctantly agrees and hands Jesus over to receive the brutal punishment of crucifixion. In Luke's account, Jesus hangs on the cross with criminals on either side of him. One criminal taunts Jesus to save them if he is indeed the Messiah. The other criminal rebukes the other and asks Jesus to remember him when he comes into his kingdom. Jesus promises that the criminal will be with him in Paradise. Darkness covers the land, the curtain in the Temple tears in half, and at three in the afternoon, Jesus dies on the cross.

After his death, Joseph of Arimathea asks Pilate for the body of Jesus. He takes the body, wraps it in linen cloths, and puts it in a tomb. The women who had been standing in the shadows during the crucifixion also witness Jesus' body being placed in the tomb. They prepare spices and ointments and return to the tomb after the Jewish Sabbath day. Instead of finding Jesus, they find a stone rolled away and two angels in dazzling clothes. These angels remind them of Jesus' prediction of his death and resurrection. The women, terrified and amazed, leave to tell the eleven disciples and other followers of Jesus about this encounter.

Upon hearing this story from Mary Magdalene, Joanna, Mary the mother of James and the other women who followed Jesus, Luke tells us that the disciples did not believe them and considered what they said to be "an idle tale." Peter, however, rushes to the tomb himself and discovers only linen cloths inside and he, too, is amazed.

Later, that same Jesus makes appearances to the disciples, even eating with them. He sees their questioning and unbelieving eyes and says, "Why do doubts arise in your hearts?" He recounts the story of his life: the words from the prophets and the psalms and that he would suffer, die, and "rise from the dead on the third day, and that repentance and forgiveness of sins is to be proclaimed in his name to all nations, beginning from Jerusalem."

Goodbye winter and welcome Spring!! We are eager to take on this busy and exciting month in our preschool! We will begin the month with Spring Break and our school will be closed from Friday, April 1<sup>st</sup>- Sunday, April 10<sup>th</sup>. We will look forward to welcoming our students back to school on Monday, April 11<sup>th</sup>. We will return to school ready to go full steam ahead throughout the rest of the month.

Mrs. Aleta Jenkins will lead our preschool chapel lesson for all classes on Tuesday, April 12<sup>th</sup>. This will be a wonderful way to get back to school after Spring Break, and an incredible start to Easter week. I'm sure our preschool students will learn so much about the true meaning of Easter during our chapel and classroom time. Our classes will have their Easter celebrations on Thursday, April 14<sup>th</sup> that will include a school wide Easter Egg Hunt!

Our PreK class will be going on a big adventure in April...they will have the opportunity to ride on a school bus and tour Flat Rock Elementary School in Powhatan. They will meet the administration and kindergarten teachers, see the resource classes, cafeteria, playground, and talk to current students. Pre- Covid, this was always such a special and momentous day for our almost-kindergarteners, and we are beyond thrilled to be able to experience this day again. Details are being finalized now with the county and we will share pertinent information with Ms. Glenda's class as soon as we can.

We will have two STEAM After School Enrichment Programs in the month of April. April 21<sup>st</sup> will be all about Earth Day. The students will participate in a science experiment that will create the "Earth" using food coloring, milk, and dish soap. Then, they will reuse plastic bottles to create bird feeders. On April 28<sup>th</sup>, we will talk about the water cycle and weather. We will make "tornadoes" and students will create a water cycle experiment to take home and observe. Our STEAM days are always so fun and educational. We encourage all potty-trained Bethel students to stay with us until 2:00 and enjoy lunch with their friends and an awesome STEAM lesson.

We will be heading to the Richmond Metro Zoo on April 26<sup>th</sup> for our last field trip of the school year. We will enjoy each other's company as we tour the zoo and visit the animals, then enjoy lunch together at the picnic pavilion. Our teachers are looking forward to a great day with our families and students.

## Youth Thank You

The youth group would like to thank everyone for making the Brunswick stew fundraiser a huge success. Thank you to those who purchased the Brunswick stew and supported the youth. We want to give a huge THANK YOU to all who helped in the planning and the making of the stew. Thank you for your time and for your knowledge of the secret recipe. Hopefully, it won't take 11 years to do it again.

## Library Book of the Month

This month's book is for our younger readers and has been recommended by one of our jigsaw kids! The Ember Stone tells the story of Tag and Skyla, two animals who team up together to save their home. It is the first book in *The Last Firehawk* series, and it is perfect for newly independent readers who are interested in fantasy and adventure stories.

## Sharing and Caring Monday Small Group

The meaning of Jesus' life finally makes sense to the disciples and they know what their mission entails. We, too, know what our mission is: we are to tell this amazing account of Jesus to our world, to our nation, to our community, to our neighborhood, to our friends, and to our family. If we keep this message to ourselves, we allow it to become an "idle tale," a pointless story. What those first witnesses saw is what we see each time we celebrate Easter: a gloriously empty tomb bursting with a message of hope and life.

## Library News

There's only one man, the Author of Life  
*who overcame death and the grave.*  
 There's only one lamb who is holy enough,  
*Whose blood has the power to save.*  
 There's only one shepherd with love so great.  
*He'd choose to die for our gain.*  
 There's only one Lord, one matchless King.  
*Who's worthy forever to reign. (author unknown)*

We are fast approaching another holiday, Easter. I believe maybe the most important one. To this day I have trouble wrapping my head around what Jesus went through for you and me.

The library has some exciting news. We have a new volunteer joining our staff. That person is Ora Smith. Can you believe we have 5 people helping in the Bethel library? This a prayer that God has answered for me.

The books on display in March were on the Holy Spirit. Also in March we celebrated Dr. Seuss' birthday and enjoyed some books about spring. Now the kids are looking forward to Easter.

My prayer this month is for a better world. I have to believe God has us in the palm of his hand. We in the library wish you and your families a wonderful Easter and a great spring.

Whew! I'm exhausted just typing about all the April happenings at our preschool! It will certainly be a memorable month for our school. We are so thankful to be able to get back to so many of our traditions and events that were taken from us with Covid.

As a reminder, the preschool is currently accepting registrations for our 2022-2023 school year, and we still have a few spots available in our Parents Morning Out and NEW 3-year-old classes. Currently, our 2's class, one of our 3's classes, and PreK class is full. We will have TWO 3-year-old classes next year, which is SO exciting! So, if you know anyone who is looking for a preschool, please send them our way. We would love to have them! Thank you again to all who help support the Preschool and myself. You are the reason we are the program we are today!

## Bethel Care Team

HELLO EVERYONE! How can this be? It's April already and the weather is finally warming up and the flowers are beginning to peek through, bird song is in the air and the days are longer for us to enjoy, it's that wonderful wake-up time of year.

How are we spending these fresh happy days, are we busy with things that never seem to get finished, are we, like so many of our friends, saying we are tired of being tired and need to get ourselves involved in a project or reach out to someone who needs us to help them in some way? There is always a need, always. Many of us are reaching an age where we find it more difficult to do so many of our daily chores, some are so lucky to have special folks in their lives who check in on them and help do these things...are we impatient with ourselves, have we lost the desire to do our work for the Lord and be the hands and feet of Christ here on earth. I am afraid this can become a habit if we don't watch out for ourselves and give in to not doing his work.

Nobody says we can't renew and reset ourselves, or that we can't take time for ourselves and our families, but service to our friends and fellow members remains important and we are to SERVE for the glory of God and do it with a joyful heart.

The Easter holidays are upon us and with activities that will be planned for our church family, please take time to join in these special ways of gathering together to worship our risen Lord. As we look forward to the coming months of beautiful warm weather, let's take the time to renew ourselves in this season of blessings to reach out and do unto others in his name.

Our team will be remembering our shut-ins this month with cards and calls and probably baskets of love, thank you for your support and love,

Your Bethel Care Team  
Shirley Lewis, Team Lead

## Book Club News

The Book Club is reading the novel, *The Ninth Hour*, by Alice McDermott and recommended by the Cooperative Baptist Fellowship (CBF). Here is what CBF says about this book: "Tracing three generations of an Irish immigrant family, *The Ninth Hour* tells a story that is both individual and universal in its understanding of the human condition. Meditating on fairness, faith, sacrifice, duty and love, it illuminates the bonds that unite or divide us." Join us for the discussion in May. If you would like a copy of the book, please contact the church office.

# Note from Our Parish Nurse

In searching April Health Monthly Topics, this popped up.

"April is National Humor Month! Did you know that laughter is the best medicine? Just goes to show you can't go wrong with celebrating. Humor is one of the most essential qualities to human life."

Humor is defined as the quality of being amusing or comedic, especially as expressed in literature or speech.

The benefits of humor:

Laughter has the potential to significantly affect the quality of our work lives. Humor helps relieve tension, reassures people, and draws us together. It likely strengthens the bonds between patients and members of their care team. It even seems to increase willingness to disclose information, so it may help with obtaining good information during patient interviews. A study of laughter therapy's effects on volunteer community care workers found that it reduced stress, anxiety, and depression.

Why not give it a try, smile, tell a joke, and make someone laugh everyday.

Wishing you all a Blessed Easter.
