On February 9th Mike Rider is going to lead a study on the Holy Spirit. The study will meet over Zoom for eight weeks and we want to invite you to be a part of the study. I believe the fact that Mike will lead this study is a work of the Holy Spirit. As you are all aware we continue to pray for the Lord to send us a youth minister. While we wait on the Lord, I have felt a pull to minister to the youth on Wednesday nights which means that I need to step away from the Sacred Circle Bible Study for a season. I had been praying and asking the Lord for direction and one morning as I was sitting in silence Mike Rider's name came to me and I was led to ask him if he'd be willing to facilitate a study on the Holy Spirit. Mike and I met and he agreed to look over the material, to pray and seek the Lord's council. When we met, he told me that he actually led a study on the Holy Spirit a number of years ago at Bethel. I thought, "Wow, the Lord could really be doing something here. That can't be a coincidence." I asked Mike about how the Holy Spirit has guided his life over the years. He said, "I grew up in a Pentecostal house church and the Holy Spirit was pretty important to me. I learned early on that the Holy Spirit is a person, the third person of the Trinity." Mike said he came to Christ early on in life, but like many of us, he said, "I wanted God in the car, but just not at the wheel. I liked to be in control." Also like many of us, it took a tragedy in Mike's life to highlight just how much we need the Lord. Mike's mother,

Mike and Paige Rider

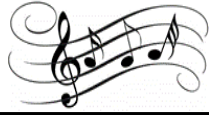

Dolores Rider, battled Melanoma for several years. At one point they thought they had the cancer under control. She got clean scans for eight years, but then the doctors discovered a tumor in her abdomen. Doctors removed the tumor, but it grew back and it was inoperable. They did everything they could do until there was nothing else to do. Mike was called to Georgia where his parents lived to say goodbye. Mike said, "When I got there and walked in the room my mom had gone back so much that I couldn't even

recognize her." That visit was Mike's last visit with her, she passed away shortly after Mike returned to Richmond. She was 58 years old. Mike said, "I was in shock. It was a really bad time for me. I wasn't prepared to say goodbye and then there were some things that happened afterward that I wasn't prepared to handle. For seven or eight years I was walking through the desert. The only way out of the hole I was in was through the Holy Spirit. The Holy Spirit saw me through that time and often it was the Spirit working through other people. One of my co-workers kept inviting me to Promise Keepers Rallies. I kept turning him down; I kept making excuses. In reality, I knew I needed it, but just kept telling him no and kept my heart closed. Finally I relented and went to a Promise Keepers Rally, which was held on the infield of Charlotte Motor Speedway. It was in the middle of June in 95 degree heat." Mike's wife, Paige, quips, "This had to be the work of the Holy Spirit because two things that Mike hates are crowds and the heat! Some people have mountain top experiences, but the Lord had to put Mike through 'hell' in order to soften his heart." Mike said, "It was the Holy Spirit working through Promise Keepers and other really good friends that helped me out of the desert. Looking back there were lots of little things that let me know that the Lord was with me." For example, Mike said his mom was famous for stockpiling items that were on sale. "If I needed a new pair of blue jeans, I'd tell my mom and she'd go back to the closet and pull a pair out of her stockpile. I've even seen her buy dog food that was on sale and we didn't have a dog! She'd bless our neighbors with some dog food. She just loved finding deals." One day, about 10 years after his mother passed away, Mike was sitting with his dad on the front porch of his father's mountain cabin enjoying the view. His dad told him that the Lord really blessed him with Dolores. He said, "She's still looking out for me, even though she's been gone for 10 years." Mike said, "How does she do that?" "Well I opened my last pack of underwear that she bought me this morning!" Mike just laughed. He said it's moments like that where God whispers to him.

*A Note From Your Worship*  
Pastor by Gayle Taylor

**"The Loving Gift of Forgiveness" by Gayle Taylor**

In his first letter to the Thessalonians, Paul says, "We [Paul, Silvanus, and Timothy] always give thanks to God for all of you and mention you in our prayers, constantly remembering before our God and Father your work of faith and labor of love and steadfastness of hope in our Lord Jesus Christ." The letter encourages the members of this church to remain faithful in the face of opposition and praises their efforts of witnessing. Furthermore, he says that Timothy has shared a report of the Thessalonians' characteristics of faith and love.

During February, the month in which we share tokens of love on Valentine's Day, let us re-visit an important "token" of Christian love. One of the best gifts that we can give to others (and to ourselves) is the gift of forgiveness. It is easy to hang onto grudges and to replay in our heads the harsh words others have said to us. We live in a society that invites dissension and, unfortunately, this unforgiving climate sometimes overshadows relationships in the Christian community. But we are not of this world. We belong to Christ who gave us the best example of forgiveness as He forgave even those who put him on the cross. In his book, *The Scandal of Forgiveness*, Philip Yancy notes:

As God's image-bearers, we are charged with the task of showing the world what God is like. I cannot imagine a more effective way of doing so than following Jesus' example. We who deserve God's wrath receive God's love; we who deserve God's punishment receive God's forgiveness. And if we mirror that pattern in our human relationships, we reveal to the world the likeness of God" (6-7).

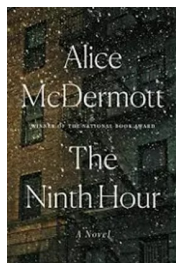

So, I send greetings of love and encouragement to you, Bethel, as you minister to others in the many ways that you do. I thank you, too, for your encouragement as I minister from the U.K. May you and I pledge to reveal God's likeness to others in this new year and to forgive often.

## Book Club News

The Book Club is reading the novel, *The Ninth Hour*, by Alice McDermott and recommended by the Cooperative Baptist Fellowship (CBF). Here is what CBF says about this book: "Tracing three generations of an Irish immigrant family, *The Ninth Hour* tells a story that is both individual and universal in its understanding of the human condition. Meditating on fairness, faith, sacrifice, duty and love, it illuminates the bonds that unite or divide us."

Join us for the discussion in April. If you would like a copy of the book, please contact the church office.

Continued from the First Page,  
Pastor Todd's Article

"It's little things that I go back to again and again and now I understand where those little things come from. The Holy Spirit is with us all the time, he's inside of you. If you know how the Spirit works, you can give God the credit." One thing I appreciate about Mike is his humility. He said he told one of his daughters, "Anything coming out of me that's good is from the Holy Spirit. God gets the credit. Anything coming out of me that's bad, that's me." One thing that Paige shared that I think sums up Mike's experience is this, "When Mike had that seven or eight year walk through the desert, he missed a lot of blessings, because he missed where the Spirit was leading him. Once he began to be led by the Spirit, many, many blessings began to come into his life."

One thing I pray is that our church would be led by the Holy Spirit. I pray that my life and your life will be Holy Spirit led. If you would like to learn more about the Holy Spirit and get closer to the Lord then please consider signing up for Mike's class. Again, it starts on February 9th over Zoom. The cost of the book is \$10 and you can sign up by calling the church office.

I want to thank Mike for his willingness to lead this study and I'm certain you'll be blessed if you take the study. May God bless Mike and Paige Rider and their family and may God bless Bethel Baptist Church!

## Library News

*Love means doing what God has commanded us and He has commanded us to love one another...*  
2 John:6

I have always called February the months of love. It gives a little extra time to continue to show love or kindness following Christmas. There are so many different kinds of love. People get too busy sometimes to stop and simply say I love you. Those are three words that can make someone's day, put a smile on their face or make them feel great. Think of this as you go through February. Lift the spirit of your family or your special friend this month.

Our kids in preschool love Valentines. This is a big deal to them and the library is all decked out with Valentine books for the children to enjoy. These children are so sweet and a joy to watch. It's easy to fall in love with each and everyone of them. Happy Valentine's Day.

Barbara Bell,  
Media Director

By Heather Kerns  
Preschool Director

February is here and it is always an enjoyable month for our preschoolers. Between winter weather and Valentine's Day celebrations, this month always brings lots of fun and excitement! We began our enrollment for our current students and church families in January, and open enrollment for the 2022-2023 school year begins on February 1<sup>st</sup>. Families who register their students before March 1<sup>st</sup> will receive a \$10.00 discount on their fees and we will, once again, be offering sibling discounts for families who enroll more than one child. If you know of anyone who may be looking for a wonderful, little preschool, please keep Bethel in mind. We are confident that our school will have a full roster for our next academic year, which is just so thrilling.

Valentine's Day celebrations will take place on Thursday, February 10<sup>th</sup> for all our preschool classes. Our teachers will be planning a special day of treats and Valentine exchanges. The children always LOVE to share their cards and creations with their friends, and it makes for such sweet memories. Teachers will be reaching out to parents soon about how they can contribute to their class parties.

Our STEAM After School Enrichment program will be held this month on February 3<sup>rd</sup> and February 17<sup>th</sup>. This program has taken off more than we could have ever imagined and has truly become such an incredible time of learning, exploration, creation, imagination, and FUN! Watching our students become scientists, engineers, artists, and mathematicians and work together to create and to solve problems brings us so much joy. (Sometimes I think the teachers may have more fun than the students...) I would also like to remind everyone that the preschool will be closed on Monday, February 21<sup>st</sup> in observance of Presidents' Day. This is subject to change if we have anymore inclement weather closures.

Finally, I want to once again thank all the church members, staff, and preschool families who have done everything possible to keep our program up and running this year during the pandemic. We are all working so hard to maintain normalcy for our children and students in such crazy times, and everyone has been so supportive and kind that I could not be prouder to be a part of this amazing program! Thank you for all your support, sacrifices, and faith in what we do here. Please keep up the good work so we can continue to the end of the year.

Thank you again to all who help support the preschool; you are the reason we are the program we are today!

## Bethel Care Team

How quickly the time flies and we are already into February, the month where we celebrate the word "LOVE" more often.

We who serve on this committee often see this word in action, we see the love and devotion family members give to one another in so many different ways. Especially during this past year, families have had to step up and provide going grocery shopping for their family members or taking them to appointments, banking issues and just being present in their parents or relatives lives more then before. These times call for patience and concern and most of all "LOVE". These past months have been very long and lonely for many, and phone calls and cards have been important in keeping relationships alive. Some of us have continued to visit as safely as possible and see the joy it brings when you make an effort to be "present" in someone's day.

We are now in the winter months, when things are slow and often the weather is miserable, but it gives us time to do unto other's and love one another in different ways. Keep our shut in's in mind as this month allows in your life, stop and make a call and brighten up someone's day. You will feel the LOVE yourself.

God Bless you as you reach out and bless each other, Happy Valentine's Day to all.

Your Bethel Care Team  
 Shirley Lewis  
 Team Lead

## Note from Our Parish Nurse

Valentine's Day during a pandemic... Maybe try something \*new\* this year. Send a "thinking of you" card to a friend or relative, drop a few cards off to a nursing home, or do a random act of kindness. Remember *you are never alone*:

*The Lord Himself goes before you and will be with you; He will never leave you nor forsake you. Do not be afraid; do not be discouraged. (Deuteronomy 31:8)*

"The best and most beautiful things in this world cannot be seen or even heard, but must be felt with the heart."  
~ Helen Keller

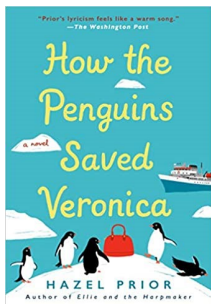

Stay safe and remember there are a few supplies in the nursing office if you have a need. Vaccines are still available at many local pharmacies.

Blessings, Cindy
