It's truly a privilege to be a pastor because my work allows me to meet some exceptional people who inspire my faith. One such person is Bobby Brooks. Bobby is the cousin of long time Bethel member Robert Brooks. Bobby was born on November 9th, 1946 and he was born with Cerebral Palsy. Bobby has been in a wheel chair nearly his entire life. His father was a military man and Bobby spent his younger years moving around the world as his dad's duty station changed. Bobby lived in Germany, San Francisco, New Orleans and then the family moved to Florida when his dad retired. Bobby went to schools that could accommodate his special needs and he is a high school graduate. Robert says, "Bobby is smart. He can do the Jumble in the daily paper with no problem and that's something I struggle to complete."

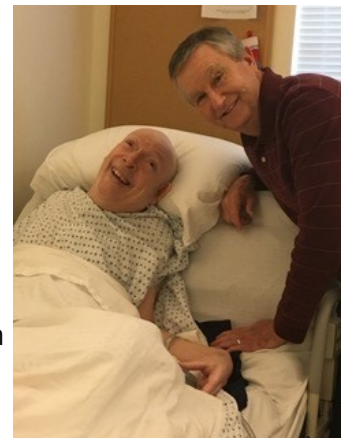

As Bobby's parents aged they decided to move back to Richmond to be closer to family. As time went on Bobby's disease worsened and it became more difficult for his parents to give him the care he needed. So when Bobby turned 40 his family moved him into the Lucy Coor Nursing Facility. When he first went to Lucy Coor Bobby could feed himself and he had some mobility as he could maneuver his wheel chair. He immersed himself in daily life at Lucy Coor. He acted in several plays and he was once voted "King" of Lucy Coor. He also took some art classes at John Tyler and was able to go swimming at Camp Baker. Bobby didn't allow his disease to get in the way of experiencing life. Time marched on and Bobby's father passed away in 1993 and his mother passed in 1996. At that point Robert took on the role of Bobby's guardian. Robert and his wife, Donna, visited Bobby regularly. They watched movies with Bobby, ate with him, and took him to doctor and dentist appointments.

Bobby's disease continued to progress and he got to the point he could no longer wheel himself around so he got an electric wheelchair. This was a huge blessing for many years as it allowed Bobby some freedom of mobility. Eventually the disease took that away as well. Bobby is now 72 years old and is confined to his bed. Most days are spent in his room with an open door facing the hallway so he can watch people walk the halls of Lucy Coor. He no longer has use of his hands so someone has to feed him, bathe him, and take care of any other needs he may have. Think about this:

Continued next column

Bobby needs someone to help him scratch an itch or adjust his pillow or blanket. Simply put, Bobby's body is broken, but his spirit is alive and well. Bobby is a person of faith and he has a rich prayer life. Robert says that on numerous occasions he'd go visit Bobby and he'd enter the room and find Bobby in prayer. Bobby would welcome Robert, but then tell him, "Hold on a moment, I'm not finished praying." Bobby prays for the Lucy Coor staff, its residents, and he prays for his family. I've been able to pray with Bobby on several occasions.

One such occasion inspired the writing of this article. I visited Bobby with our Associate Pastor, Gayle Taylor. At the end of our visit we asked Bobby how we could pray for him. Bobby listed several things and among them was that he wanted to pray for his dinner to arrive a little earlier in the day. They started serving him dinner at 6:30 p.m. recently and he used to eat around 5 so by 6:30 he's starving. Gayle and I prayed and after we prayed Bobby looked at us and said, "The Lord has been wonderful to me!" I found those words to be so inspiring. Bobby has impacted my faith and he's impacted Robert's faith as well. I asked Robert how his relationship with Bobby has affected his faith and he said, "Well, first of all, I don't think of Bobby as a cousin anymore, he's more like my brother. So the Lord has brought us closer together. I've also learned that as you get older, your reliance on the Lord grows because there are many things in life you cannot control, you just have to rely on the Lord. So Bobby has helped me to see that even though there are difficulties in life, the Lord is always there with you, holding your hand as you live your life." Amen to that Robert.

*A Note From Your Associate
Pastor and Music Minister:
by Gayle Taylor*

"He Has Risen and So Will I"

Mark 16: 1-6 When the Sabbath was over, Mary Magdalene, and Mary the mother of James, and Salome bought spices, so that they might go and anoint him. And very early on the first day of the week, when the sun had risen, they went to the tomb. They had been saying to one another, "Who will roll away the stone for us from the entrance to the tomb?" When they looked up, they saw that the stone, which was very large, had already been rolled back. As they entered the tomb, they saw a young man, dressed in a white robe, sitting on the right side; and they were alarmed. But he said to them, "Do not be alarmed; you are looking for Jesus of Nazareth, who was crucified. He has been raised; he is not here.

As we go through our journey through Lent, we reimagine the various scenes that Jesus encountered during his last days as a human on earth: The triumphant entry through the streets of Jerusalem, the Last Supper with the Disciples, the agonizing prayer in Gethsemane, the betrayal by Judas, the arrest, the mockery by the soldiers, and the painful crucifixion. All of these dramatic events led to even more astounding occurrences: the absence of a crucified body and the appearance of the resurrected Jesus! The disciples found the resurrected Jesus to be startling at first; then they received their ministry orders: to tell others what they witnessed. In John 20:31, the gospel writer insists that the events surrounding Jesus' death and resurrection were "written so that you may come to believe that Jesus is the Messiah, the Son of God, and that through believing you may have life in his name."

The promise of life after death awaits us as Christians. Death is not an end but a beginning to a brand new and glorious existence! This is what Chris Tomlin shares in his song, "I Will Rise." The words remind us that we, too, will rise to a beautiful home when Jesus calls us by our name. On Easter Sunday, the choir will sing this inspiring song. Listen to the words and be assured that Christ's death paid a debt that He did not owe and that we are the beneficiaries of an eternal life in heaven. Happy Easter!

Bobby Brooks

Continued from page 1

Life is full of difficulties. Life is full of brokenness, but God is there, ever present, always faithful. When we reflect on this perhaps you and I can say, along with Bobby, "The Lord has been wonderful to me!" This confession of praise can be traced all the way back to the Cross of Calvary. Christ went to the cross to pay for our sins, to reconcile us to God, to offer us grace and forgiveness that we didn't deserve and could never earn. When we reflect on this we truly can say "God has been wonderful to me!" Let's let Bobby's confession of praise be on our lips all of April as we celebrate Easter together at Bethel. I hope that you'll be able to join us for our Maundy Thursday Service, or our Good Friday Lenten Lunch, and I especially hope to see you on Easter Sunday where we all gather together to sing and worship because God truly has been wonderful to us all. May God bless Bobby, Robert and Donna Brooks and may God bless our Bethel Church Family. Happy Easter! He is Risen. He is Risen Indeed!

Bethel Care Team

HELLO EVERYONE, How can this be? It's April already and the weather is finally warming up and the flowers are beginning to peek through the earth and the singing of bird songs is in the air. But for some reason I'm feeling tired.

Busy, busy, busy that seems to be what I am feeling, rush, rush, rush through everyday and I've heard this from many others. Some will say, how do you do it all and I will say the same thing to many others. Well, it seems many of us are feeling weary and we are tired of feeling tired. Is this a sign of our aging, or have we become impatient with doing so many little jobs? Are we doing our best work? We need to pray to get back our energy, and our desire to serve in whatever the area we work in and do our very best work for the Lord.

Nobody says we can't rest and renew ourselves, that we can't take time for ourselves and our families and regroup, so to speak, in our service to our friends and fellow members as we work. (oops, not work) SERVE for the glory of God to those who are unable to be with us for Sunday services.

The Easter holidays are upon us and with all the activities planned for our church family and others, please find time to join in and worship our risen Lord. As we look forward to the coming months of beautiful warm weather, let's take time to recharge and renew ourselves in this season of blessings.

Come to me, all of you who are weary and burdened and I will give you rest. (Matthew 11:28)

What's Happening in April

In April, our Jigsaw Kids will be learning about HOPE. When you're stumbling in the dark, there's only one thing to do. Turn on the light! The same is true when you feel like you're stumbling through a difficult time in your life. Turn on the light of hope! After all, our hope doesn't come from this world. Our hope is in Jesus. As we examine the events surrounding Jesus' death and resurrection, we will help kids see that whatever happens in life, we can have hope in Jesus.

By Carter Cosgrove
Preschool Director

Hello Spring!!! April is always an exciting time for the preschool. The Preschool will begin April with a week off for Spring Break. We will be closed from April 1st – 5th returning to school on April 8th. When our classes get back, the children will begin to learn about Spring and what it brings with it such as the life cycles of animals, insects and plants. Students will also learn ways to take care of their environment and celebrate Earth Day. Our Pre-K class will be getting ready for Kindergarten Registration which will be held at all Elementary Schools on Thursday, April 11th. Let's not forget the most important thing, Easter! The children will be having their Easter celebrations on Thursday, April 18th. As you can see, April is a very busy month for everyone here at the preschool!

The preschool children will be doing a lifecycle experiment. The children will get to plant a small vegetable garden that is self-contained in a clear box. That way they will be able to watch the growth process of carrots and green beans! Maybe we can even encourage better eating habits when they see how their vegetables grow!

We will have our monthly Chick-fil-A night which will be held on Wednesday April 17th from 5:00 p.m. – 8:00 p.m. We would love to see everyone there so please come and join us! We appreciate all the support you have given to the preschool.

Just a reminder that the preschool is currently accepting registrations for our 2019/2020 school year and still have several spots available. If you know anyone who is looking for a preschool, please send them our way. We would love to have them!

Thank you again to all who help support the Preschool and myself. You are the reason we are the program we are today!

Good Friday Lenten Lunch and Devotional

Please join us in the People of Hope Center on Good Friday for a lunch of soup, salad, bread, and dessert and a devotional entitled "Were You There?" from Dr. Elizabeth Newman.

Dr. Newman served on the faculty of Baptist Theological Seminary at Richmond from 2002-2019 after serving on the faculty at Saint Mary's College, Notre Dame, IN for twelve years. She is the author of *Untamed Hospitality: Welcoming God and Other Strangers* (Brazos Press, 2007), and *Attending the Wounds on Christ's Body: Teresa's Scriptural Vision* (Cascade Books, 2012) and *Divine Abundance: Leisure, the Basis of Academic Culture* (forthcoming) and currently serves as co-chair for the Baptist World Alliance Commission on Doctrine and Christian Unity and as a representative in Baptist World Alliance Conversations with the Pontifical Council for Christian Unity (2017-2022). She is also on the leadership team for Young Scholars in the Baptist Academy.

Please sign up on the sheet on the round table or contact Gayle Taylor if you would like to attend.

Vacation Bible School

July 21 - 25, 6 to 8:30 p.m.

It's time to start thinking about VBS 2019! We will be on an African adventure exploring the fact that life is wild, but God is good! Kids will explore God's goodness and celebrate a ferocious faith that powers them through this wild life. We need lots of volunteers to make this week come to life for the many kids who will walk through Bethel's doors. Please consider volunteering as this is always a fun week and grows relationships within our church. This week allows us to love on and minister to younger children who may have never heard the gospel before. Contact Lauren Moore or Lisa Hardy for more information or to sign up as a volunteer.

A Note From the Library

The library has gone through its winter books, its Valentine's books and its St. Patrick's Day books. We also had a display of Noah and some of his animals. We are preparing for a wonderful Easter. It's so amazing what God's son did for all of us. Of course, along with the Easter theme is the beautiful season of spring. Hopefully, we can find some books that will help us enjoy some time of reading. This is a time for God's world to wake up and shine. All of us can shine by loving one another. Happy Easter.
