Our mission at Bethel is to Live Transformed Lives, by Experiencing, Embodying, and Extending the Grace of Christ. In January, we focused one Sunday on how we at Bethel can "Embody" God's grace.

That Sunday, Pete Tucker spoke about how his father, AP Tucker, embodied the grace of God. Pete said this about AP, "My dad embodied the grace of Christ in the way he treated people, particularly people who were down and out and needed a hand. My dad always told us to remember the three 'Rs': We need to help **Real** people, with **Real** problems, **Right** now."

That saying stuck with Pete over the years and it stuck with me as well. In fact, it inspired me and got me thinking: I suspect each of us has a saying, or a "pearl of wisdom," or a "Parental Proverb" that our parents passed along to us. I was talking with Brenda Peck about this and she remembers her mother telling her on many occasions, "What goes under the Devil's belly, comes back over his shoulder." Which is another way of saying: you reap what you sow.

I have a saying that I remember well from my dad. He used to tell me, "Nothing positive happens after midnight." Translation: Get yourself home early and stay out of trouble. I found out the truth of that saying one evening. I was in high school and I went out one night with three of my buddies. We were driving home, and I was in the backseat. The moon was full that night and my

friend gets the bright idea to drive on Rt. 60 without lights. Please don't ask me why he decided to do this. Why do any of us do the dumb things we do? Anyway, he cuts the lights off and we could actually see pretty well. Sadly the next lights we encountered were blue lights. A VA State Trooper pulled us over and my friend sheepishly confessed to being a knucklehead. The officer was kind enough to send us home with a warning. As we pulled away I checked the time on my watch. It was after midnight and that's when the weight of my dad's statement hit me. Truly, not much positive happens after midnight!

That saying is important to me, just as you have sayings that are special to you. I think it's a worthwhile endeavor to share our collective wisdom with one another. Biblical commentator Warren Wiersbe writes, "The past is not an anchor to hold us back but a rudder to guide us. It's important to remember what God did in the past and to pass this treasure along to our children and grandchildren."

The Bible certainly does this in the book of Proverbs. We're going to do a sermon series on the Book of Proverbs within the next couple of months and I think we can have a little fun with the series. So here's what I'd like to ask of you: You probably have a "Parental Proverb" that's special to you. If so, email it to me. My email is [tkbradbury@verizon.net](mailto:tkbradbury@verizon.net) and please share the story that goes along with it. I hope that we can use some of Bethel's "Parental Proverbs" to help illuminate some Biblical proverbs. May God bless you and may God bless Bethel Church.

*A Note From Your Associate  
Pastor and Music Minister:  
by Gayle Taylor*

"Sometimes Problems Exist Where You Least Expect...  
in Your Own Backyard."

In the springtime, we think about new life and new growth. As we begin to make plans for planting flowers, vegetables, and fruit trees, we know that we have to prepare the soil. We have to clean out the ugliness of soggy leaves and underbrush or we have to aerate the lawn to ensure a proper foundation for growth. We have to make the effort to uncover the problems in the soil before we can expect anything new to bloom.

It is the same idea when we think about the social problems of human trafficking, as well as sexual/domestic violence. These may be issues that seem to occur elsewhere, but, in fact, they happen in the Richmond metropolitan area at an alarming rate. Regarding human trafficking, the *Richmond Justice Initiative* reports that "because interstates 64, 95 and 295 all intersect in Richmond, it makes this city an attractive place for traffickers to do business- specifically ranked in the top 20 most prolific cities for trafficking."

Learning about this problem is a good first step. Recognizing how we can help clear out this ugly social issue to ensure a new life for someone who has been a victim is another important step.

If you would like to learn more about this social issue in our own backyard, please join us for a Lunch & Learn Program on Wednesday, March 21, in the People of Hope Center from 11:30 a.m. to 12:30 p.m. Elena S. Brooks-Perkins from Safe Harbor, an organization that provides extensive support and services for those who have experienced domestic/sexual violence, will share how prolific this problem is and ways we can help to alleviate it.

Menu (NO COST)

Box lunches include sandwich (chicken salad, turkey club, or pimento cheese), chips, and a dessert.

Fruit and drinks will also be provided

**Please RSVP to Gayle Taylor by March 16 by telephone or email. (Please indicate your choice of sandwich)**

*Psalm 91: 14-15 -Those who love me, I will deliver; I will protect those who know my name. When they call to me, I will answer them; I will be with them in trouble, I will rescue them and honor them.*

**NOTE:** Listen to the song "Echoes" from Janie Chu's album *The Human Condition* that expresses the pain of human trafficking. The video of the song gives a heartbreaking visualization of this issue.

## Worship Schedule

We now meet each Sunday at 10:30 a.m. in the People of Hope Center.

## What's Happening in March

It's time for March Madness, the college basketball tournament of champions.

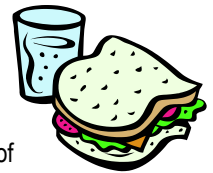

It's a time of rivalries, fierce competition, and surprising upsets. You never know what might happen when you turn the game on except that PEACE is the last thing on anyone's mind.

Isn't that true of life sometimes? We get so caught up in winning an argument or making ourselves look good that we forget that finding PEACE is the best solution for the situation. We hope through this basketball-themed month, we can help kids have fun while they learn about what God says about making peace a priority in their lives.

## Men's Fellowship Lunch Thursday, March 1, at noon

Our next lunch is set for Thursday, March 1, at 12 noon. We will meet at the **Italian Delight** in South Creek Shopping Center in Powhatan. Everyone will be responsible for the cost of their own lunch. Please call the church office if you plan to attend so we can make the appropriate number of reservations. All men are invited.

## Ladies Fellowship Lunch Thursday, March 1, at noon

Please join us on Thursday, March 1, at noon at Sedona Taphouse in Westchester Commons for our Ladies Fellowship Lunch. Please text or call Margaret Gillis at 804-305-6931 to let her know if you will attend. All women are invited.

## Volleyball Schedule

Come out and support Bethel!! All games are played at Manchester Middle School. For more information contact Jake Florence at 804-677-5438.

Friday, March 2, at 7:00 p.m.

# Bethel Care Team

Welcome to March which always seems to be the beginning of another season of warmer weather and longer days for each of us to enjoy. It always seems that hopefully the worst of the winter has passed and the little bulbs surfacing in our yards bring promise of the springtime to come.

Our team has reached out to our homebound folks with Valentine good wishes this past month, made visits and had sweet conversation and introduced others to our team and asked them to become actively involved in our ministry. As we work together to bring comfort and support to our members, we also receive the blessings of friendship and look forward to our times of togetherness and getting to know each other better.

I feel sure there are others in our church family who need us and others that need to be needed, please let us know if either of these are calling out to you.

Enjoy these early spring days and please remember our folks in your prayer time and those of us who serve in this ministry.

Shirley Lewis, Care Team Leader

# Connect

YOUTH NEWS by Lauren Moore

This month provides us with two opportunities to serve. The first is on March 8 at Grace Fellowship of First Baptist Church and the second is at the Hope Supper Table on March 17. These opportunities lead to the question, 'Why serve?' Why do we serve? Does this even make a difference? I think the first answer is we serve because Christ came to serve! Jesus didn't come sit on a throne and eat Bon-Bons. He got his hands dirty and led by example! He came to serve! That's enough reason for me, but if you need a little more convincing the Living Bible translation of Ephesians 2:10 says "It is God himself who has made us what we are and given us new lives from Christ Jesus; and long ages ago he planned that we should spend these lives helping others." Well, there you go. You're welcome :) We were put here to make a contribution! We weren't created to just consume resources. He created us to make a difference with our lives. Whenever we serve others, no matter how 'small', we are actually serving God! Next time you are serving someone else and wonder, 'Why am I doing this?' maybe the answer is as simple as you are doing it to serve God. If you're still wondering "Does this make a difference?" The answer is YES! In your role of serving others you may be the only glimpse of God they ever see! That's powerful. Think about what an impact you can have on someone's life by serving them well, ministering to them well, and loving them well. We don't always see the effects of our service, but where seeds are spread God will water them!

## A Note From the Library

The month of love is now over. I hope everyone showed much love and kindness to all. March is here. Winter is not over yet. We have been very lucky, some states not so much.

Our children are reading and mom and dads are helping them.

This is music to the librarian's ears. The Paddington books were checked out. That may have been because of the movie in town. The next movie is Peter Rabbit. It looks like it will be real cute. Of course we have Peter Rabbit books on display also.

We will combine the March and April window displays. Be sure to check them out. I can't believe May is coming so soon. May will be all about going to the zoo. This will take us to the end of the school year. The halls are so quiet during the summer without the kids.

The Easter season is very special to all of us. It's coming early this year. The library staff hope you enjoy your family and friends during this special time. Happy Easter to all.

Barbara Bell, Media Library Director

## Many Thanks

We would like to thank all those at Bethel who sent cards, kind words and prayers at the passing of Aleta's brother-in-law, Jack Hill.

Much love and appreciation to a very caring church,

Jerry and Aleta

Dear Bethel Church Friends,

I want to thank you for the many cards, food, visits and especially for your prayers for Nancy and for me during my recent hospital visit and at our home. It's great to know that there are so many friends there to help through the rough times.

Thanks again, Dennis Glazener

Dear Bethel Baptist Church Family,

I and my family would like to extend our deepest gratitude for all involved in my sister Ashley Atkinson's Celebration Service held December 10th. A very special thank to Todd for the beautiful service, Cathy Marshall for the music, Bruce Moseley for the AV and picture slides he put together on such short notice and also all that contributed food for the reception and the food and cards that were sent to our homes. We are so blessed to be a part of such a loving church family and an awesome God.

God Bless, Suzanne Kiiffner

Dear Bethel Baptist Church, Debbie Salyer, Mary Smith and Frances Morris,

On behalf of the staff at the Free Clinic of Powhatan, I would like to thank your organization for the donations of meals for our Monday night clinic staff. The Clinic has the professional service of 7 doctors, a mental health worker, one psychiatrist, a nurse practitioner, nurses, numerous administrative workers and an executive director, most of whom are not paid but volunteer their time and service. With your delicious donations you have fed a lot of hungry volunteers! Your generosity supports the missions of the Clinic. This is Powhatan's only Clinic. The only place our low income folks can get any health services. The Clinic takes care of many of our neighbors, family and friends. For many of your fellow county residents, we are their only source for much needed health care. The Free Clinic has saved many lives, given folks hope and made tremendous differences in their lives. Your ongoing support helps us to continue this work in your community.

Again I truly thank you for your time and your compassion.

Connie Moslow

Executive Director, Free Clinic of Powhatan

Dear Bethel Baptist Church,

Thank you so much for the cards, concern and prayers during my surgery and ongoing recovery. Your prayers have been very sustaining.

Sincerely,

Stanley Watkins

By Carter Cosgrove  
Preschool Director

March is roaring in like a lion and with it the crazy weather! Our Bethel Preschool children are having trouble deciding how to dress for school because one day it is warm and the next day it is cold. We are hoping the Leprechauns will bring Spring to us soon!

Open registration began February 1<sup>st</sup> for the 2018/2019 school year for our church families and students of the preschool. Registration became open to the public on February 15<sup>th</sup>. We are steadily receiving registrations making our new school year look very strong. If you know of anyone who is looking for a preschool, please be sure to mention us. Spots are filling up fast!

The preschool always likes to honor our parents so we will be having a special night planned for our Dads' and Dad-like figures. Our annual Dads' night will be held on Thursday, March 8<sup>th</sup> from 7:00 p.m. – 8:00 p.m. Each class will be doing a special presentation for the men along with a craft. Refreshments will follow in the Parlor.

Just a reminder that the Preschool will be having their monthly fundraiser at Chick-fil-A on Wednesday March 21<sup>st</sup> from 5:00 p.m. to 8:00 p.m. Please come out for good food and fun while supporting the Preschool. Don't forget to mention "Spirit Night"! Also please remember if you use a gift card, the Preschool will not get credit for your purchase.

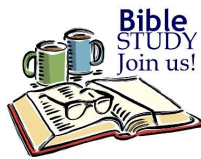

To help our rising kindergartners get acclimated to a huge change in their lives, the preschool has scheduled a special field trip to Flat Rock Elementary School on Wednesday, March 21<sup>st</sup> via a Powhatan County School bus. This exciting trip will be to tour the school and experience a real Kindergarten classroom.

Another fun event scheduled for March is our annual spring pictures. Michelle Proctor from Michelle Proctor Photography will be taking "baby chick" pictures with our preschoolers. The kids are so excited to get all dressed up and to have their pictures taken with a real live baby chick!

March ends with a very important event. Our children are learning what Easter is truly all about. The preschool will be finishing the month with our annual Easter Celebrations on Thursday, March 29<sup>th</sup>. Everyone will be partaking in special class activities, food and Easter Egg Hunts!

We would like to wish everyone a very Happy Easter and thank you again for all of the support you give to the Preschool and myself. You are the reason we are the program we are today!
