In the March Missions and Ministry meeting I shared with the church that the Personnel Committee has graciously granted me a sabbatical, which I am planning on taking this summer. I'd like to use this newsletter article to share a few details about the sabbatical starting with, what is a sabbatical?

What is a Sabbatical? During a sabbatical the pastor engages in purposeful times of reading, prayer, study, interaction with other ministers, professional development, recreation opportunities, and rest. Sabbaticals vary in length, and they are usually granted after a period of 5 to 10 years of service. A sabbatical every 7 years is common. Most sabbaticals are between two and three months. As of May 1st, I have been at Bethel for 11 years and the Personnel Committee has granted me 10 weeks of sabbatical time which will begin May 26th.

What will I do during the Sabbatical? During my sabbatical I will be engaging in each of the activities mentioned above; reading, study, prayer, attending other churches, professional development, and rest. I've had a number of small health issues that I've been dealing with for the last three or four years and I'm concerned that stress could be a factor in some of my medical issues. To address the issue of stress, I am going to meet with a leadership coach from Shepherd's Staff Ministry here in Richmond and he's going to lead me through a study of "Pastoral Intelligence." "Pastoral Intelligence" is a program that equips ministers to better handle their own emotions and the emotions of the congregation. This study focuses on three areas of intelligence: theological, spiritual, and emotional. I hope this study will provide me with some additional tools to help me to be a better minister and deal with stress more redemptively.

Who will cover my responsibilities while I'm on sabbatical? In terms of pastoral care, our deacons do a wonderful job of ministering to our congregation, and they will be the first point of contact for pastoral care. Obviously, I love and care about our church family and would want to officiate any funerals that may occur while I'm away.

In terms of preaching, I'm putting together a summer preaching series called, "Rays of Hope."

Continued next column

Each week we'll have a different minister to bring the message. I'm asking each minister to share their favorite Bible verse, why it's their favorite verse, the history and context behind the verse, how they've applied that verse to their lives and how we might apply it to our lives. I'm really excited for this series. I believe our congregation will enjoy hearing from someone different each week and you'll get to see some very practical applications of scripture. The first minister to start the series will be Dennis Green on May 26th. He'll be preaching on his favorite passage, John 11:25-26. Dennis is going to preach on surrendering your life to the resurrection power of Jesus! Amen to that!

In terms of Wednesday nights and coverage for Sacred Circle, I have two former seminary professors scheduled to do two, four-week series. Dr. Scott Spencer will do a four-week study on handling fear and anxiety and Dr. Biddle is still working on his topic for his four-week study. Both of these gentlemen are familiar with Bethel, and I'm delighted they've agreed to return for these two summer series.

As far as worship planning is concerned, Stephanie Blanton and Bruce Moseley will collaborate each week to organize and craft our worship service. They are already both heavily involved in planning and organizing our services and do a wonderful job.

Finally, let me say this, I have a deep love and affection for the people of Bethel and I'm eternally grateful for my call to ministry at Bethel. I want to say in the strongest of terms, I still believe I am called to be at Bethel, and I am grateful, blessed, and humbled to be your pastor. I'm very excited about our vision process and the direction our church is going. I'm energized by the thought of continuing our ministry journey together. I love and enjoy what I do, and I sure hope and pray that you want me to continue as your pastor for a few more years. I'm 56 and I hope I can retire here at Bethel. My desire is to finish my ministry well. While I love what I do, it does not come without cost. I have likened the pastorate to being on a treadmill. Most of the time my job is at a "walking pace." The pace is comfortable and very manageable. Sometimes things get hectic, and the job requires periods of intense "sprinting." There are times when I can get away

Continued on page 2

on vacation and it feels like a "slow crawl," but I'm almost always available and there doesn't seem to be a stop button on the treadmill. Because of my health issues, as minor as they are, I do feel the need to find that stop button and get off the treadmill for a short period of time. A sabbatical will hopefully allow me to stop, be renewed and reenergized. Sabbaticals ultimately benefit the church as well as the minister who can reengage with new vigor and purpose. I sincerely thank the Personnel Committee, our Deacons, Stephanie Blanton, and Bruce Moseley for all their help in covering my responsibilities while I'm away. I sincerely thank you, the beautiful people of Bethel, for your grace in allowing me this time. May God bless each of us as we journey forward in faith together.

Vision Priority Actions

Bethel's God-inspired vision is Knowing, Growing and Going in the Love of Christ. So, how do we bring this vision to life? The Vision Story we imagined together last year provides a hopeful glimpse of the impact Bethel Baptist Church will have in the future. The elements of that story show us how we start living our Vision now – through Evangelism, Caring for Each Other, Children and Youth, Discipleship, Serving our Community, and Worship. These are our Vision Priorities.

May I ask you to please pray about becoming involved in one or more of these focus areas. Here are some of the initial ideas, but ultimately it will be each team's responsibility to pray and seek the Lord and be led by the Holy Spirit. The vision priority teams being formed are as follows:

Evangelism – This team will plan and discern how we can introduce our friends, neighbors and community to a life changing relationship with Christ. As this team gathers to pray and plan, they may be led to do things like: A tent revival at Westchester, help Bethel members talk to others about Christ, visit local community associations or apartment complexes to inquire about starting small groups within their community. There are many more things this team could do, the question is: What is the Lord leading us to do to share Christ with our community? That is the objective of the Evangelism Team.

Caring for Each Other – We already have a wonderful Care Team in place, and they do an amazing job of visiting our "Home Bound" members. In the future, this team may assist with training members on how to care for each other, or organize meals for those who have been sick. This team also hopes to build stronger relationships among church members through activities like the "Curtis Salyer" house parties/movie nights, etc. If you have a heart of compassion and enjoy hospitality, this team may be for you.

Children and Youth – These teams already exist and they are charged with planning the activities and ministry of our Children and Youth programs. These programs are vital to our church growth and we want to do a phenomenal job of introducing Christ and His Kingdom to our Children and Youth. It takes a special person with a heart for children to be on this team. Perhaps that person is you!

Discipleship – Discipleship is critical to living into our Vision. This team will plan a curriculum to help each of us to grow in the knowledge of our Lord. They will work on the creation of small groups, helping our Sunday school classes, and coming up with other educational offerings to help each of us work towards having "The Mind of Christ." Delia Loving has already done significant work on a 10-Week Foundational Class. You'll hear more about this opportunity this fall. If you enjoy helping people to learn about Christ, this team may be for you.

Preschool Director

Another school year is almost at its end. We have so enjoyed being with the children this year. Every day has been filled with exciting adventures, lots of fun, and tons of love. We hope that each child has had a wonderful experience here at Bethel Preschool. To those families who would like for their children to continue their journey with our preschool, please remember to turn in your registration forms for your child for the next school year as soon as possible, if you haven't done so already. To those families whose children will be graduating from Bethel, we wish them the best on the next stage of their educational journey; we know they will do incredible!

We will be holding several special events during the month of May. We will honor our mothers and mother figures on Thursday, May 9th with a Mother's Day Tea Party. On May 16th we will have an event to celebrate our fathers and father figures. And, on our last day of school, Thursday May 23rd, we will honor our incredible students. Beginning at 11:00, we will welcome our preschool families to join us in the Bethel Baptist Hope Center for our End of the Year Program and PreK Graduation. We are going to end this school year with an epic month filled with so much love, happiness, and celebration. We can't wait!

Our families and the church are our biggest supporters of the preschool. You have shown the program and the children, families, and staff within this preschool your love and support. We are so thankful for each one of you. You all have made my third year as director at Bethel Preschool so special and I thank all of you for your kind words, prayers, and help. Thank you, from the bottom of my heart, for allowing me the opportunity to serve in this capacity with the wonderful students who attend our preschool. It is such an incredible honor. I am so excited to continue my journey as Director at this wonderful, faithful, and loving church.

Vision Priority Continued

Serving our Community – This team will be a mission minded team. They'll be looking for ways to bless our community and build relationships "Outside the Walls" of Bethel. This might look like partnering with other non-profits who are doing "Gospel work," like Young Life, Blessing Warriors, the Powhatan Free Clinic, or CARITAS. It also might look like visiting with local school administrators to see how we might bless their schools, or visiting with business owners at Westchester to ask how we might pray for them and their business. If you love meeting people, helping people and blessing people, this team might be for you!

Worship – This team may assist Todd and Stephanie as they plan worship. This team will pray for our worship service and may offer suggestions on sermon topics or creative ways in which we can enhance our worship of our Lord.

As we begin our journey to bring life to our Vision, we will be guided by our Core Values – Christ-Centered, Biblical, Prayerful, Worshiping, Loving, Servants. All of these teams will be seeking the Lord in prayer, through his Word and listening for the leading of the Holy Spirit. I'd humbly like to ask you to begin praying for these teams. Please pray for the Lord to call those of His choosing to these teams and pray that we'll all have "ears to hear" what the Lord is saying to us. I continue to be excited and very hopeful for what God has in store for us at Bethel. Please pray and ask the Lord where He wants you to serve as we all work towards Knowing, Growing and Going in the Love of Christ. In Christ's love.

May Dates to Remember

VOLUNTEERS TO PACK LUNCHES FOR TEACHERS

We've got some very special things happening in Worship in May that I'd like you to know about. May 5th is Communion Sunday. That afternoon after church, Bridging RVA will pack lunches in the Hope Center from 2-5 for Teacher Appreciation Day. On Monday, May 6th, they'll provide lunch to teachers in Powhatan. If you'd like to volunteer to help pack lunches on the 5th, please sign up at Bridgingrva.org.

BLESSING WARRIORS, MAY 12th

On Mother's Day, May 12th, we'll hear from two ladies who operate "Blessing Warriors." Blessing Warriors is a non-profit that helps to feed and resource the homeless in Richmond. I have visited their facility in downtown Richmond, and it is truly an amazing work of the Lord. I really believe these two ladies will bless us with their story on the 12th. One of the reasons we chose to hear from them on Mother's Day is because there are a number of "unsheltered" families in our area. Can you imagine being a child and not having a home, or bed to sleep in? Can you imagine being a parent and knowing your child will have to sleep in a vehicle or on the street? It's heartbreaking. These two ladies are working hard to eliminate these stories in Richmond. We're going to take up a special offering for Blessing Warriors when they visit. Please don't miss this special service.

BBQ LUNCH MAY 19th

Do you enjoy BBQ? I know I do! On May 19th we're having a BBQ lunch immediately following our worship service. David and Jonathan Grubbs will be the official "Pit Masters" and they're graciously providing BBQ Chicken and Boston Butts. We'd like to ask you to bring a side dish to go with the BBQ, or please bring a dessert. We're going to take up a collection for lunch and proceeds will benefit both Young Life and Blessing Warriors. Don't miss this opportunity to enjoy a great meal with our church family and bless a couple of very worthy non-profits at the same time. It will be an old-fashioned "Dinner on the Grounds" type of Sunday!

MEMORIAL DAY REMEMBRANCE

Finally, on May 26th you'll hear from Rev. Dennis Green. This will be the first Sunday of my Sabbatical (please see my newsletter article for more detail.) This is also Memorial Day weekend, and we'll take some time during the service to think about and honor those men and women in our Armed Services who have given their lives for our country so that we may have the freedom to worship.

The American Nurses Association is celebrating National Nurses Week May 6 - 12th! Be sure to thank the wonderful nurses in your life.

A nurse's prayer:

"Give me strength and wisdom, When others need my touch;
A soothing word to speak to them, Their hearts yearn for so much.
Give me joy and laughter, To lift a weary soul;
Pour in me compassion, To make the broken whole.
Give me gentle, healing hands, For those left in my care;
A blessing to those who need me, This is a Nurse's prayer."

Bethel Care Team

Hello Everyone,

Already we are seeing the beginnings of a new season, spring is here and with it comes the beautiful spring bulbs showing off their pretty little flowers, the trees are in full bloom and the grass is a beautiful green again. All the signs of a season of the year that makes us happy. This is true within ourselves as we turn our thoughts to the warmer weather and all the things that we plan to do in our gardens and sprucing up around our homes. In life it's much the same, sometimes we need a fresh new look into ourselves and freshen up our prayer lives, and our commitments to the organizations that we have in our church and in our community and make ourselves get busy and do something a little extra in life.

This past month has been one of joy and of much sadness. We lost our beloved friend, Barbara Phillips and have gathered around her sister Shirley and Barbara's family with love and sympathy. We will surely miss her beautiful smile and her quiet presence in our gatherings. We have had much joy in seeing everyone receive their baskets to celebrate the Easter season and watched with joy the children who joined in our celebration here at Bethel for their fun time. We had our Maunday Thursday Service and our Easter services that brought again our thoughts to the real reason for this season of "JOY" for our risen Lord. Also many have been in the hospital for different reasons, and others have suffered medical issues at home, it's been a busy time and even some of our own have suffered falls and praise God are now recovering as we write.

We have been blessed with new members to join us and become part of our Bethel family, many are seeing what a blessed congregation we are, we have had a new baby be born this month and we celebrate his arrival, Remember there are many ways to serve our risen Lord and maybe you have some time to offer new ideas and now in the springtime would be the time to come forward and find your way to help. in our church.

We thank all those whose hard work and help makes this ministry blossom in every season.

God bless us all as we reach out in faith to do his will.

Shirley Lewis/Team Lead.

Thank you all for allowing me to be a part of this wonderful ministry.

Church Council Meeting May 13, 7 P.m. Zoom

Life Line Screening, the nation's leading provider of preventive health screenings, will offer affordable, non-invasive and painless health screenings at Bethel Baptist Church on **Thursday, June 20, 2024**, in the People of Hope Center. A package of five screenings to identify risk for stroke, heart disease and other chronic conditions will be offered:

Carotid Artery Screening (Plaque)

An ultrasound is performed to screen the carotid arteries (a pair of blood vessels in the neck that deliver blood to your brain) for buildup of fatty plaque. This buildup, called atherosclerosis, is one of the leading causes of stroke.

Peripheral Arterial Disease Screening

An Ankle-Brachial Index (ABI) test is performed using blood pressure cuffs on the arms and legs. It is important to screen for PAD because it increases the risk of coronary artery disease, heart attack, or stroke.

Abdominal Aortic Aneurysm (AAA)

An ultrasound is performed to screen the abdominal aorta for the presence of an enlargement or aneurysm. AAA can lead to a ruptured aortic artery, which is a serious medical emergency.

Atrial Fibrillation

A 6-lead electrocardiogram (EKG) is performed by placing sensors on the arms and legs to screen for Atrial Fibrillation. AFib can lead to blood clots, stroke, and heart failure, and other heart-related complications.

Osteoporosis Risk

An ultrasound is performed to measure the shin bone for abnormal bone mass density. This can help assess the risk of osteoporosis, a disease where bones become weak and brittle.

These 5 vital screenings are offered for only \$149 and take 60-90 minutes to complete. Flyers are on the round table in the People of Hope Center.

Register by calling toll free 1-877-754-9648, or online at <https://LLSA.SOCIAL/HS>

A Note from Our Library

Did you know that the library has a satellite location in the POH Center? We have a few select books on display that are available for checkout. If you see something you like, just put the date, your name, and the book code on the nearby checkout sheet. The book code is a number that is located both on the title page and the date slip in the back of the book. We routinely change the books, so keep checking back! The library is open every second Sunday of the month after church for you to browse all other books available.
